

HueZentte 3

Smart Technology. Ultimate Comfort.
The all-in-one bathroom ventilation system

Product Features

Huezentte 3 is a user-oriented bathroom ventilation system that resolves inconveniences in the bathroom, such as moisture, odour and temperature. It makes the bathroom a more comfortable healing space with various functions.

Refreshing ventilation

It is a function that creates a comfortable bathroom environment through quickly removing odours, particulate matter and bacteria with powerful ventilation.

Fan

It creates a cool and comfortable environment, offering a refreshing breeze on humid days.

Crisp dehumidification (Drying)

It is a function that dries the bathroom with warm/cold air, removing odours and moisture from the bathroom after a shower to help prevent bacteria or mould from forming.

Hair & Body drying

Conveniently dry from head to toe after a shower using warm/cool air and enjoy the comfort after a busy or exhausting day.

Health care music therapy

Start and finish a day²⁾ in the bathroom with music used in oriental medicine music therapies.¹⁾

Bluetooth speaker

Connect a smartphone to the built-in Bluetooth speaker and enjoy the time in the bathroom with music.

Voice notification

Voice notification is used to improve bathroom experiences to meet customers needs. Smart voice notification autonomously provides product status information to the user.

1) Oriental music treatment is a field of study based on the mind-body balance that controls the yin-yang (陰陽) balance of the body and activates physiological functions to prevent and treat diseases (advised by Prof. Lee Seung-hyun, director of the Four Seasons Oriental Medicine Center Oriental Music Treatment Center)

2) Taking a shower in the morning to start the day and in the evening to finish the day's work, stimulation of 5 organs (五臟) and 7 emotions (七情) using music to adjust the yin-yang (陰陽) balance of the body over time to help activate physiological functions

HIMPEL's advanced technology creates a fresh, comfortable sanctuary

Featuring smart airflow, dehumidification,
warm & cool air, plus integrated music.

IPX3

Water-Resistant and Safe for Daily Bathroom Use (IPX-Certified)

With an IPX3 water-resistance rating, it's designed for safe use in humid and wet bathroom environments.

FHD3-C150P_MT

A New Standard in Comfort & Hygiene

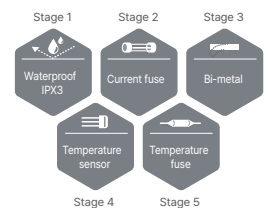

Make the bathroom a refreshing space for healing and rest

1 | Airtight Motorised Damper
Dual dampers (internal/external) blocks the backflow of external contamination and odour

2 | Easy filter management
The reusable pre-filter is easy to remove, wash with water, and reinstall

3 | 5-stage safety system
With waterproof (IPX3) and individual safety devices

Dehumidification

Removes moisture and bacteria for a clean, mould-free bathroom.

Warm Air

Keeps kids perfectly warm and comfortable.

Hair & Body Dry

Conveniently dry your hair and body with warm and cool air options.

Ventilation

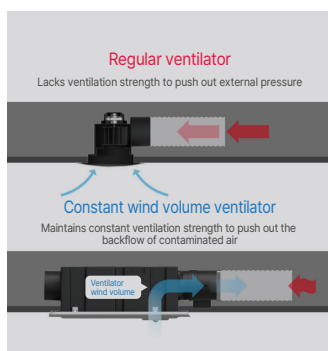

Keeps your space fresh and pollutant-free with powerful ventilation

HIMPEL bathroom ventilator

Constant ventilation anywhere in any environment!

HIMPEL high-performance bathroom ventilator delivers powerful ventilation with constant air volume without reducing wind volume even when load increases due to ventilation pipes or outside wind.

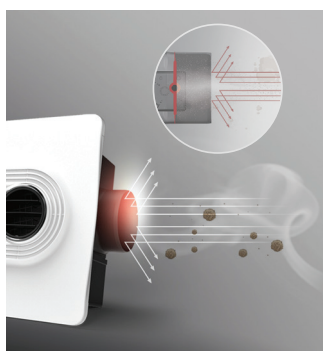

1 Constant air volume

2 Low power consumption

3 Motor damper

4 Waterproof IPX

Transform Your Bathroom into Pure Relaxation

More than just a clean space, Huezentte 3 turns it into a daily retreat for your body and mind.

Music Therapy

Relax with oriental medicine music or your own tunes via Bluetooth.

Mood Lighting

Soft and gentle lighting creates a relaxing and soothing atmosphere.

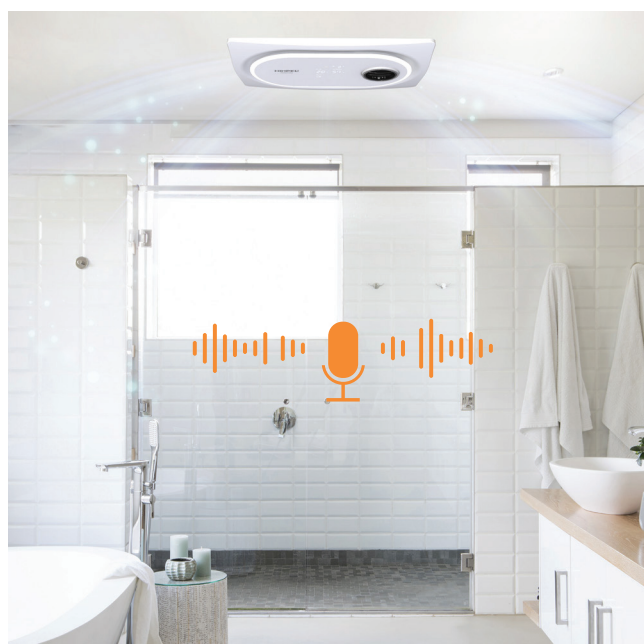

Automatic Humidity Check

Smart sensor for real-time bathroom humidity control.

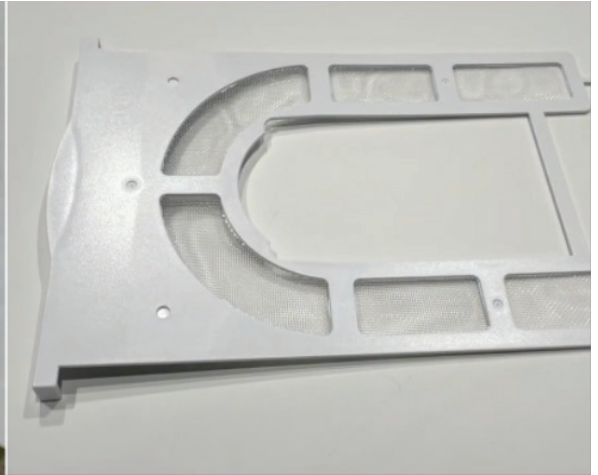

Voice Guidance

Easy operation with friendly voice guidance.
